NEW AMERICAN HERO AWARDS

**HONORING DIVERSITY,
BUILDING UNITY:
A CELEBRATION OF
NEW AMERICAN EXCELLENCE**

**THURSDAY, JUNE 27, 2024
MARTIN LUTHER KING, JR. MEMORIAL LIBRARY
WASHINGTON, DC**

CELEBRATING OUR MOVEMENT

We know that our democracy is stronger when everyone participates.

Each year, more and more voters demonstrate that they are ready for authentic and diverse leaders who can challenge “business-as-usual” elected officials and advocate for policies that benefit all Americans. That is why NAL prepares New Americans—first and second generation immigrants and refugees—to run, win, and lead in public office.

Please join us for the 10th annual **New American Hero Awards (NAHA)**, and celebrate with us as we honor New American leadership at our signature event in our nation’s capital during **Immigrant Heritage Month!** Even though every month is Immigrant Heritage Month at New American Leaders, we are thrilled to honor the diversity and resilience of immigrant communities, highlight the integral role immigrants play in shaping the cultural and social fabric of the United States, and recognize several elected officials who are trailblazers for inclusive democracy and advocates in their communities. **Join us for a festive reception to celebrate our accomplishments, victories, and continued progress towards a more representative democracy!**

Last year’s celebration included incredible honorees and other community leaders from across the country at this celebration of New Americans in politics. Our 2023 New American Hero Awardees were Congresswoman Grace Meng of New York, Colorado State Senator and NAL trainer, Julie Gonzales, and Portland, Maine City Councilor, Pious Ali. Previous award recipients have included Congresswoman Veronica Escobar, Congressman Joe Neguse, United States Surgeon General Vivek Murthy, Boston Mayor Michelle Wu, and other inspiring leaders.

We are the only national 501(c)(3) nonprofit dedicated to building a more inclusive democracy by empowering immigrants, refugees, and all who identify with the immigrant experience to run, win, and lead in public office. We train candidates and campaign staff, support a national network of elected officials, and champion solutions that create a more equitable democracy. With a suite of programs providing support to New Americans throughout their leadership journey, NAL builds lasting political power in immigrant communities and supports the next generation of leaders. For more information about our work, visit us at newamericanleaders.org or follow us on social media @NewAmericanLd.

2024 HONOREES

We are thrilled to honor **Michigan State Senator and Assistant Majority Leader Darrin Camilleri**, **Jefferson Elementary School District Board Trustee Manūfou Liaiga-Anoa'i**, and **U.S. Congressman Joaquin Castro (TX-20)** as our 2024 New American Heroes!
